### FINANCIAL HIGHLIGHTS AND OPERATIONS

Although no business has been conducted by the Company in this year, we are gearing up to venture into the new line of business of Real Estate and Infrastructure Development very soon.

### MANAGEMENT DISCUSSION & ANALYSIS

The real estate market, although dull at this juncture has a tremendous scope of growth. We as a company plan to venture into this sector to reap operational benefits in the future.

#### i. OPPORTUNITIES AND THREATS

The real estate market has not been a very encouraging opportunity since it is prone to ups and downs from time to time. We have entered in this field at a time when the market is undergoing a slowdown. Our asset base would be well placed at this juncture to catch the upside in the coming few years. Also, as management the company is well placed with competent persons to en cash the future opportunities while keeping the inherent risks under check.

#### ii. SEGMENTATION OR PRODUCT-WISE PERFORMANCE

The Company is only dealing in the real estate business and hence would be reported as one segment.

#### iii. OUTLOOK, RISK AND CONCERNS

The main risk in the real estate and infrastructure industry is high cost of construction and variable demand from time to time. The Company feels that with the large asset base available at its disposal and also with competent management, the company would be able to face the

situation better in future. There is an opportunity to accelerate growth in the real estate sector which has remained stagnant for over past few years.

iv. **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

There is adequate internal control system in the company through internal audit and regular operational reviews.

v. **DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT**

During the year a number of key HR initiatives were taken up to link business objectives with employee performance. The human resources of the Company are adequately motivated to work towards optimal performance. The industrial relations are also cordial.

**CORPORATE GOVERNANCE**

The Company is committed to maintain the highest standards of Corporate Governance and adhere to the Corporate Governance requirements set out by SEBI. The Company has also implemented several best corporate governance practices as prevalent globally.

The Report on Corporate Governance as stipulated under Regulation 72 of SEBI (LODR) Regulation, 2015 forms part of the Annual Report. The Requisite Certificate from the Auditors M/s Ashok R Majethia, Chartered Accountants, confirming compliance with the conditions of Corporate Governance as stipulated under the aforesaid Regulation is attached to this report.

**DIVIDEND**

Since the Company has not commenced operations in the new role, the Directors have not recommended any dividend for the financial year 2017-18.

**DEPOSITS**

Your company has not accepted any fixed deposits during the year under review.

**RISK MANAGEMENT**

The company has a Risk Management Committee which has been entrusted with the responsibility to assist the Board in (a) Overseeing and approving the Company's enterprise wide risk management framework; and (b) Overseeing that all the risks that the organization faces such as strategic, financial, credit, market, liquidity, security, property, IT, legal, regulatory, reputational and other risks have been identified and assessed and there is an adequate risk management infrastructure in place capable of addressing those risks.

**DIRECTORS & KEY MANAGERIAL PERSON**

Mrs. Sweta Kagliwal, Director retires by rotation and being eligible is liable for re-appointment. Pursuant to Listing Regulations 2015, Details of Directors retiring by rotation is provided as part of the Notice of the ensuing Annual General Meeting.

The Company has received declarations from all the Independent Directors of the Company confirming that they meet the criteria of independence as prescribed both under the Act and SEBI

(Listing Obligation and Disclosure Requirements) Regulations 2015 with the Stock Exchanges. The Company has devised a Policy for performance evaluation of Independent Directors, Board, Committees and other individual Directors which include criteria for performance evaluation of the non-executive directors and executive directors.

#### **AUDITORS**

At the Annual General Meeting held on Authorized signatory 24<sup>th</sup> August 2017, M/s Ashok R Majethia, Chartered Accountants, were appointed as the Statutory Auditors of the Company to hold office till the conclusion of 6<sup>th</sup> Annual General Meeting to be held.

#### **AUDITORS' REPORT**

The Notes on financial statement referred to in the Auditors' Report are self-explanatory and do not call for any further comments. The Auditors' Report does not contain any qualification, reservation or adverse remark.

#### **INTERNAL AUDITORS**

The Board of Directors of the Company has appointed a professional firm of M/s. Manpreet Khurana & Co., Chartered Accountants to conduct internal audit of the Company for the financial year ended 31 March 2018.

#### **SECRETARIAL AUDITOR**

M/s Neha P Agrawal, Practising Company Secretary has been appointed as the secretarial Auditor of the Company as required under section 204 of the Companies Act 2013 and Rules there under. ## **Independent Auditor's Report**

**To,  
The Members of  
Techindia Nirman Limited  
(Formerly : Nath Seeds Limited)  
Aurangabad**

### **Report on the Financial Statements**

1. We have audited the accompanying financial statements of **Techindia Nirman Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2018, the Statement of Profit and Loss (including other comprehensive income), Cash Flow Statement and Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

2. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these Ind AS financial statements to give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in the equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

3. Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.
4. We have taken into account the provisions of the Act and the rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and rules made there-under.
5. We conducted our audit of the Ind AS financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

### **Opinion**

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2018 and its loss and its cash flows for the year ended on that date.
9. The financial information of the company for the year ended 31<sup>st</sup> March 2017, and the transition date opening balance sheet as at 1<sup>st</sup> April 2016 included in these Ind AS Financial Statements, are based on the previously issued statutory financial statements for the years ended 31<sup>st</sup> March 2017 and 31<sup>st</sup> March 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended), which were audited by previous auditors, on which they have not expressed modified opinion dated 30<sup>th</sup> May 2017 and 30<sup>th</sup> May 2016 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the company on transition to the Ind AS have been audited by us.

Our opinion is not qualified in respect of these matters

### **Report on Other Legal and Regulatory Requirements**

10. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure "A", a statement on the matters specified in paragraph 3 and 4 of the Order.
11. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

## ANNEXURE “B” TO THE AUDITORS' REPORT

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of **Techindia Nirman Limited** (“the Company”) as of 31<sup>st</sup> March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence, we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the

company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**C PROPERTY, PLANT AND EQUIPMENTS**

i) Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at deemed cost less and accumulated depreciation. Freehold land is not depreciated.

ii) Other tangible Assets are stated at cost of acquisition inclusive of all attributable cost of bringing the same to their working condition, net off accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

iii) Expenditure related to and incurred during implementation of the project is capitalized under the appropriate heads on completion of the projects.

**D CAPITAL WORK-IN-PROGRESS**

Expenditure related to and incurred during the implementation of the projects is included under Capital Work-in-Progress and the same are capitalized under the appropriate heads on completion of the projects.

## **E DEPRECIATION / AMORTIZATION**

Depreciation is charged as per the provisions of Schedule II to the Act based upon useful life of assets. The useful life adopted for the purpose of depreciation charged on the Corporate Building is 10 years.

## **F IMPAIRMENT**

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

## **G INVENTORIES:**

The inventories including sales returns are valued at lower of cost and net realizable value. Cost is assigned on weighted average basis. Obsolete, defective and unserviceable stocks are provided for.

## **H FOREIGN CURRENCY TRANSACTIONS:**

- i) Transactions in foreign currency are recorded at the rate prevailing on the date of the transaction.
- ii) Current Assets and Current Liabilities in foreign currency outstanding as at the year-end are stated at the rates of exchange prevailing at the close of the year. The resultant gains/losses of the year are recognized in the Statement of Profit and Loss.

## **I GOVERNMENT GRANTS**

- i) Grants are accounted for where it is reasonably certain that the ultimate collection will be made.
- ii) Grants relating to Fixed Assets in the nature of Project Capital Subsidy are credited to Capital Reserve.
- iii) Others are credited to Statement of Profit and Loss.

## **J RETIREMENT BENEFITS:**

Liability as at the year end in respect of retirement benefits is provided for and/ or funded and charged to Statement of Profit and Loss as follows:

- i) Provident Fund / Family Pensions:  
At a percentage of salary/wages for eligible employees.

- ii) Retirement benefit costs and termination benefit  
The Company determines the present value of the defined benefit obligation and recognizes the liability or asset in the balance sheet.

The present value of the obligation is determined using the projected unit credit method, with actuarial valuations being

Defined benefit costs are composed of:

- (a) service cost – recognized in profit or loss; service cost comprises (i) current cost which is the increase in the present value of defined benefit obligations resulting from employee service in the current period, (ii) past service cost which is the increase in the present value of defined benefit obligations resulting from employee service in the prior periods resulting from a plan amendment, and (iii) gain or loss on settlement.

- (b) remeasurements of the liability or asset - recognized in other comprehensive income.

- (c) remeasurements of the liability or asset essentially comprise of actuarial gains and losses (i.e. changes in the present value of defined benefit obligations resulting from experience adjustments and effects of changes in actuarial assumptions).

**Short-term benefits:** A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave and other short term benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

**Other long-term benefits:** Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

**iii) Bonus**

The company recognises a liability and expense for bonus. The company recognises a provision where contractually obliged or where there is past practice that has created a constructive obligation.

**K BORROWING COST**

Borrowing cost directly attributable to acquisition, construction, production of qualifying assets are capitalized as a part of the cost of such assets up to the date of completion. Other borrowing costs are charged to Statement of Profit and Loss.

**L TAXATION**

i) Provision for Current Tax is made and retained in the accounts on the basis of estimated tax liability as per applicable provisions of Income Tax Act 1961.

**M DEFERRED TAX**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**N EARNING PER SHARE**

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit for the year attributable to equity share holders. The weighted average number of equity shares outstanding during the year and for all years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

**O USE OF ESTIMATES**

The preparation of Financial Statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of Financial Statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and the estimates are recognised in the period in which the results are known/ materialised.

## **P PROVISION AND CONTINGENT LIABILITIES**

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

## **Q CASH AND CASH EQUIVALENTS**

In the Cash Flow Statement, cash and cash equivalents includes cash on hand, demand and short term deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

## **R FINANCIAL ASSETS AT AMORTISED COST**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## **S FINANCIAL ASSETS AT FAIR VALUE THROUGH OTHER COMPREHENSIVE INCOME**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and a contractual terms of the financial assets give rise on the specified dates to cash flows that are solely payment of the principal and interest on the principal amount outstanding.

## **T FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS**

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of assets and liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

## **U FINANCIAL LIABILITIES**

Financial liabilities are measured at amortised cost using the effective interest method.

## **V EQUITY INSTRUMENTS**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. The Company recognises equity instruments at proceeds received net off direct issue cost.

## **W RECLASSIFICATION OF FINANCIAL ASSETS**

The Company determines classification of the financial assets and liabilities on initial recognitions. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when a company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains and losses) or interest.

## **X OFFSETTING OF FINANCIAL INSTRUMENTS**

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is on intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

## **22 First Time adoption of Ind AS**

### **Transition to Ind AS .**

#### **These are the Company's first financial statement prepared in accordance with Ind AS.**

The accounting policies set out in Note 1, have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of opening Ind AS balance sheet as at April 1, 2016. In preparing its opening balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). An explanation of how the transition from from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes

#### **22.1 emptions and exceptions availed Ind AS optional exemptions cost.**

22.1.1. Deemed cost:- Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as for the previous GAAP and use that as its deemed cost as at date of transition after making necessary adjustments for decommissioning liabilities. The exemption can also be used for intangible assets covered by Ind - 38 Intangible Assets. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying values as at April 1, 2016.

22.1.2 Leases: Appendix -C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected not to be material. The Company has elected to apply this exemption for such contracts / arrangements, wherever applicable.

22.1.3. Decommissioning liability included in the cost of property, plant and equipment: An entity need not to comply with the requirements of Appendix A of Ind AS -16 changes in Existing Decommissioning, Restoration similar liabilities for liabilities occurred before the date of transition to Ind AS. An entity can measure the liability as at the date transition. The Company has elected to measure such liabilities as on the date of transition and on the basis of such evaluations no liabilities need to be recognised, wherever applicable.

#### **22.2. Ind AS mandatory exceptions**

22.2.1. De-recognition of financial assets and liabilities: Ind AS 101 requires a first time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply AS 109 to financial assets and Financial liabilities de-recognised as a result of past transactions was obtained at the time of initially accounting for those transactions. The Company has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS, wherever applicable.

22.2.2 Classification and measurement of financial assets: Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date transition to Ind AS.

22.2.3. Impairment of financial assets: An entity shall determine the approximate credit risk at the date that financial instruments were initially recognized and compare that to the credit risk at the date of transition to Ind. This should be based on reasonable and supportable information that is available without undue cost or efforts. If any entity is unable to make this determination without undue cost or effort, it shall recognise a loss allowance at an amount equal to lifetime expected credit losses at each reporting date until that financial instrument is de-recognised. The Company has this exception to analyse credit risk of the financial assets as the date of transition instead of the date of initial recognition.

The management assessed that the fair values of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction among willing parties, other than in a forced or liquidation sale.

The Company determines fair values of financial assets and financial liabilities by discounting contractual cash inflows/ outflows using prevailing interest rates of financial instruments with similar terms. The fair value of investment is determined using quoted net assets value from the fund. Further, the subsequent measurement of all finance assets and liabilities (other than investment in mutual funds) is at amortized cost, using the effective interest method.

### Discount rates used in determining fair value

The interest rate used to discount estimated future cash flows, where applicable, are based on the incremental borrowing rate of the borrower which in case of financial liabilities is the weighted average cost of borrowing of the Company and in case of financial assets is the average market rate of similar credits rated instrument.

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. In addition, the Company internally reviews valuation, including independent price validation for certain instruments.

Fair value of financial assets and liabilities is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The following methods and assumptions were used to estimate fair value:-

- Fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments.
- The fair value of the Company's interest borrowing received are determined using discount rate reflects the entity's borrowing rate as at the end of the reporting period. The own non performance risk as at the end of reporting period was assessed to be insignificant.

### Fair value hierarchy

All financial instruments for which fair value is recognized or disclosed are categorized within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level -1  
Quoted (unadjusted) price is active market for identical assets or liabilities

Level 2:  
Valuation technique for which the lowest level input that has a significant effect on the fair value measurement are observed, either directly or indirectly.

Level 3  
Valuation technique for which the lowest level input has a significant effect on the fair value measurement is not based on observation market data.

## 24 Financial Instruments and Risk Review

### i) Capital Management

The Company's capital management objectives are:-

The Board policy is to maintain a strong capital base so as to maintain investor, creditors and market confidence and to future development of the business. The Board of Directors monitors return on capital employed.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as Net debt divided by total equity. Net debt and total equity are based on the amounts stated in the financial statements.

Debt-to-equity ratio is as follows

Particular	As at 31st March 2018	As at 31st March 2017	As at 1st April 2016
Net Debts (A) *	49,45,85,049	11,45,44,210	10,59,80,570

\* Net Debts includes Non-Current borrowings, Current borrowings, Current Maturities of non current borrowing net off Current Investment and cash and cash equivalent

\*\* Equity includes Paid up share capital and other equity.

### ii) Credit Risk

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to contractual terms or obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limit and creditworthiness of customers on a continuous basis to whom the credit has been granted offer necessary approvals for credit.

Financial instruments that are subject to concentration of credit risk principally consists of trade receivable investments, derivative financial instruments and other financial assets. None of the financial instruments of the Company results in material concentration of credit risk

#### Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk is as under, being the total of the carrying amount of balances with trade receivables.

As on	Amount in Rs
31st March, 2018	-
31st March, 2017	-
1st April, 2016	-

#### Trade receivables

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of financial statement whether a financial asset or group of financial assets is impaired. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 months expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition

Before acceding any new customer, the Company uses an external/internal credit scoring system to assess potential customer's credit quality and defines credit limits by customer. Limits and scoring attributed to customer are reviewed periodic basis

### iii) Liquidity Risk

#### a) Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

#### b) Maturities of financial liabilities

The following tables detail the remaining contractual maturities for its financial liabilities with agreed repayment period.
